Dear Parent/Carer,

We will be following new guidance from the Government with regards to coronavirus. The guidance states;

**As the situation is changing on a regular basis, we would recommend that you check the Government's website on a daily basis to ensure that you have access to the most up to date information.**

<https://www.gov.uk/government/publications/guidance-to-educational-settings-about-covid-19>

If a child presents with: **A cough or a High temperature (over 37.8 C)** you will be contacted and asked to collect them **immediately**.

Your child will be required to **stay off** pre-school for **14 days**. If your child presents with the above symptoms at home please inform us and keep them at home for 14 days. If anyone in your family shows symptoms please stay at home for the same length of time.

**If your contact details have changed and you have not told us, please can you do so.**

This also applies to our staff members and their families. We will be monitoring the situation daily as we will be adhering to our current staff ratios for both classrooms. If we do not have enough staff to safely run the pre-school we will be forced to close.

We appreciate that these new measures may cause inconvenience to parents but we are following the latest Government advice to safeguard the children and staff in order to contain the virus.

**We will update you all with any further advice as we receive it. Information will be posted on our website page if we are closed. Please look in the News section under Our news.**

If you have any further questions please do not hesitate to contact the pre-school.

Liljana Markaj

Manager Shernhall Pre-School
