Shernhall
pre-school
playing together, learning together

About US

Shernhall Pre-school is a voluntary, community pre-school and a registered charity. We are located in the heart of Shernahll Street, within walking distance of many local schools.

We offer flexible, affordable, quality childcare and education to children and families from a diverse social and cultural mix. We are a professionally run, friendly and inclusive setting that aims to help pre-school children learn and explore their world through play and fun activities. We also have a high child to adult ratio.

We are registered with Ofsted for children aged between 2 – 5 years old based on the early years requirement. We are open 5 days a week, term time only, from 8.30am – 3.30pm.

We provide a range of childcare options including sessional, full day care and lunch club. We offer 2 year old funding to eligible families, 30 hours funding for working parents, and the opportunity to buy additional sessions if required.
